The undersigned, being first duly sworn, deposes and says:

I am a Military Policeman at Fort Rucker, Alabama. On the 14th of April 2007, I responded to a suspected DUI at the Enterprise Gate. A 4-door green sedan was at the gate; the driver could not present either his driver's license or other paperwork for the vehicle. One of the gate guards, CDA Alatorre, said the driver seemed incoherent and unaware of his surroundings. Another officer, SPC Kuilan, served as an interpreter and conducted field sobriety tests, which I observed. Having failed the sobriety tests, the driver was to be taken to the MP Station for a blood alcohol content test. I received oral permission from the driver to move his vehicle from the roadway, and when I went to open the door, I saw two open bottles of Budweiser beer on the front floorboard in front of the passenger seat. When I got in the vehicle, I saw a third open bottle in the passenger floorboard near the center console and the passenger seat. After receiving visual confirmation from another officer, SGT Aultman, we both noticed easily that the vehicle also had a strong odor of alcohol. At the MP Station, the driver was asked his name in Spanish. He replied that his name began with a "B." The driver was further questioned about his name, but the driver would not say. A tattoo was noticed on the driver's arm, and it read "Bernarda Sebastian." Further investigation revealed the driver's name was SEBASTIAN BERNABE. BERNABE was then put on the dragger, which Officer Kuilan operated. BERNABE'S result was .18. He was further processed and placed into the D-Cell until his blood alcohol content went back to .00.
